7. Recommended Update to Parking Permit Operations Policies and Municipal Code

Sergeant David Tomlin and consultant, Julie Dixon, presented an overview and future changes to the Permit Parking Program. The changes include automating some aspects of the program through use of License Plate Reader (LPR) technology and "virtual permits" in lieu of hangtags. In addition, the Beverly Hills Municipal Code would also be revised associated with the proposed changes and to reflect other changes since the permit issuance and enforcement operations moved from Public Works to the Police Department.

Commission comments and feedback were received.

PROJECT UPDATES

8. Project Updates

City Engineer Daren Grilley and Transportation Planner Jessie Holzer responded to Commissioner comments.

Public comment: Email from Steve Mayer was read into the record.
